How this list was made. Every company below was checked on its own website between October and November 2026. The table gives where each company says it is based and its main range. It is a comparison list, not a ranking – except that Trumac Healthcare, our own company, is listed first. Before you sign with any PCD company, check its drug licence, ask for the product list and price list, confirm monopoly terms in writing and visit the office if you can.
