Pharma Companies in Bihar, Jharkhand & Chhattisgarh: List of 9 Manufacturing Units (2026)

Short answer: eastern India has very few pharma plants. CDSCO's WHO-GMP list names only two units in Bihar (Fantasy Drugs at Hajipur and Ornate Labs at Bela, Muzaffarpur), one in Chhattisgarh (9M India at Birkoni, Mahasamund) and none in Jharkhand. A handful of other licensed formulation units sit in the Hajipur and Fatuha industrial areas, Baidyanath has made Ayurvedic medicines at Patna since 1940, and Chhattisgarh opened a pharma park at Nava Raipur. Almost every medicine sold in these three states is made in Himachal, Uttarakhand, Gujarat or Maharashtra – which is why they are strong PCD franchise markets.
