Pharma Companies in Odisha (Bhubaneswar, Cuttack): WHO-GMP Manufacturers (2026)

Short answer: Odisha's pharma manufacturing is centred on Bhubaneswar and Cuttack. The best-known site is Sapigen Biologix, Bharat Biotech's vaccine plant in the Odisha Biotech Park, Bhubaneswar; WHO-GMP formulation and IV-fluid units include Mannequin Pharmaceuticals, Infunex Healthcare, Jagannath Chemical & Pharmaceutical Works, Universal Chemicals and Green Waves (APIs). The Department of Pharmaceuticals survey (2023) lists a Cuttack–Bhubaneswar cluster with 59 units. No large national generic company runs a formulation plant in the state yet, so most medicines sold in Odisha come from hubs such as Baddi, Sikkim and Gujarat.
